Learn from others. Teach others. See and do!

Western Ohio Woodworkers was founded in 1982 to **get individuals together** who share an interest in woodworking to **learn from each other**, enjoy the **friendship** of fellow woodworkers, and **improve their skills**. Whether you are just starting out, have a business making custom furniture, or are simply looking for some friends to bounce ideas off, this

club is a great way to spend a Saturday morning.

All sorts of woodworking are embraced, whether it is turning pens, making furniture out of reclaimed pallets, or recreating museum-quality federal period furniture, you will find passionate members eager to talk shop. We are always looking for new members to join and contribute to the club. If you would like more information, please visit our website www.WesternOhioWoodworkers.com and click on **Membership Info**.

Annual dues are \$30.00.

We offer **shop tours, toy making workshops, special events, and monthly pizza nights**.

As a member you are also entitled to utilize the discounts offered to club members at Frank Miller Lumber and the Hardwood Store.
